

# MISSION ZERO

Mission Zero is the first activity all new members should start with.

## ASSET LIBRARY

On the left menu, find the asset library

Use the #introduction hashtag to browse introduction assets. LIKE at least one.

Make comments on 3 interesting assets. A good comment includes something specific!

## ASSETS

Find or take a picture of something that inspires you. Upload the image to the asset library

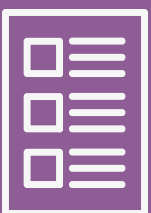

In the description section, write about what is inspirational. Use the hashtag #inspiration and post your asset

Browse around other #inspiration assets. PIN one you find inspirational.

## WHITEBOARDS

On the left menu, go to Whiteboards and start a new whiteboard.

Using drawing, text, images, and other media, make your own Introduction whiteboard.

Use #introduction in the description. Share to the asset library when ready.

## IMPACT STUDIO

On the left menu, go to Impact Studio. Click EDIT PROFILE and put in 3+ hashtags that describe you (#painter, #musiclover, #friend)

Look at data about your W4C activity. Zoom in on My Activity tool. Hover over one of the dots. Scroll down to look at MOST IMPACTFUL assets in the community.

Scroll to someone else's profile using arrows in upper right corner. Like or comment on something you find.
