

# IS YOUR CLASS READY TO WRITE 4 CHANGE?

Join our global impact network of writers. Encourage your students to collaborate with other adolescents from around the world, engaging with each other's creative works and opinion pieces on topics that matter.

- Students encouraged to collaborate with students across the globe
- Teacher curriculum support and research involvement opportunities offered on the network
- Access available globally to adolescents aged 13 to 19
- Multilingual writing encouraged
- Appropriate for formal and informal educational settings

- Initial entry offered to students solely if teacher provides access
- Access available following the termination of the course
- **Visit [write4change.org](https://write4change.org)** and email W4C for more information and to acquire access password.
